

A QUICK DECISION GUIDE

Which break room solution fits you?

Four ways to stock a break room. Here's how to tell which one is right for your space, your team, and your budget.

There's no single right answer. It depends on your headcount, your square footage, and how hands off you want to be. **Use the checklists below to find your starting point,** then we'll help you fine tune it during your free consultation.

V Vending Machines

BEST FOR any size space, tight budgets, high traffic areas

- ✓ You want the lowest cost, most familiar option
- ✓ Your space is tight on square footage
- ✓ Your team wants classic snacks and drinks on the go

S AI Smart Coolers

BEST FOR offices wanting a fresher, more premium feel

- ✓ You want fresh food and drinks, not just packaged snacks
- ✓ You want tap to pay, no cash or coins needed
- ✓ You want a sleek look, not a machine in the corner

M Micro Markets

BEST FOR larger facilities with 100+ employees

- ✓ You want the widest possible product variety
- ✓ You have room for open shelving and a self checkout kiosk
- ✓ Employees want a mini convenience store feel

P Pantry Service

BEST FOR teams who want a stocked breakroom, hands off

- ✓ You already have a breakroom or kitchen space
- ✓ You want an always stocked pantry, not per item purchases
- ✓ You want one flat, predictable monthly invoice

Still not sure which fits? **That's what the free consultation is for.** We'll walk your space, ask about your team, and recommend the option that actually makes sense, not just the one we'd rather sell.
